

SPACE ADVENTURE

FUN FACTS ON

Unlike many superheroes,
Batman doesn't have any
superhuman powers

- but he uses his superior brains
and
physical prowess to keep
the world safe from
evil-doers.

The Green Lantern's power ring
allows him control
over the physical
world.

Brave and Bold #28

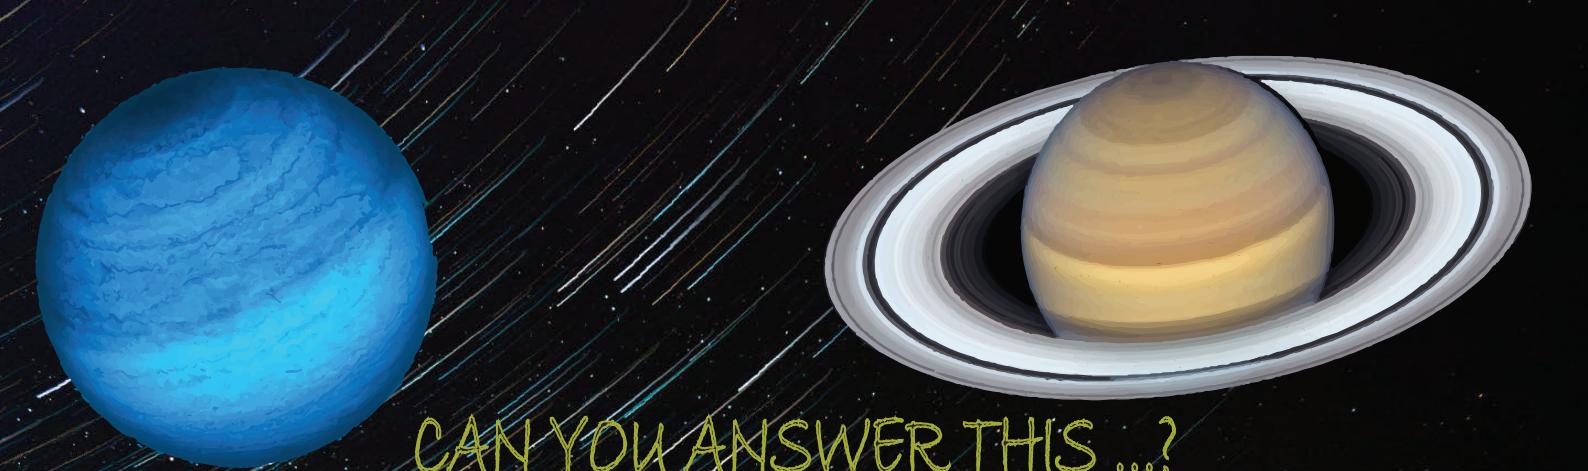

was the name of the DC comic where
Justice League made
their first appearance.

Aquaman was raised by dolphins.
